

Hi - I'm Mike Roman, a parishioner at St. John's and a member of the stewardship committee. In this video, I will give you a quick tour of the stewardship resources on the St. John's website. I'll take a moment to share my screen... and if you look in the upper right... just above the slide show, you'll see there is a "Donate to St. John's" button (*draws red oval around button above slide show*). Now this button only shows up on the homepage, and is going to go away soon. Please get in the habit of using this "Donate to St. John's" button near the words "worship" (*moves red oval to button up near words "worship"*). So, let's click on this "Donate to St. John's" button (*up near words "worship"*). We get taken to the stewardship page. In the middle of the stewardship page, there is a "Give Online" button (it's green). If you click on that, you'll get taken to tithe.ly where you can make a recurring or one time donation to St. John's. At the bottom of the stewardship page, there are links to roughly five minute videos here (*circles link in lower left with cursor*). Shorter videos are on this page (*circles link in lower middle with cursor*), and stewardship reflections from 2019 are on this page (*circles link in lower right with cursor*). The video pages are structured with embedded videos; just below the embedded video there's a link for a full-size video, and just below that there's a link for a transcript of the video. This page (*the "Stewardship Minute Videos" page*) is structured the same way - the embedded video, a link for a full-size video and a link for a transcript.

So...I will leave you today with a paraphrase from Teresa of Avila: Christ has no body now on earth but ours. No hands but ours. No feet but ours. Ours are the eyes through which the compassion of Christ must look out on this world.

Thank you for your attention, and have a great day!
