Dear Senator Gillibrand,

The farm bill is our nation's most important national food system legislation. It is critical to the work of ending hunger at home and abroad. Indeed, the farm bill impacts each one of us.

As Congress works to renew our food and farm programs through the farm bill, I urge you to support legislation that builds healthy, equitable, and sustainable food systems.

- Increase access to fresh fruits and vegetables by increasing support for produce-specific Supplemental Nutrition Assistance Program (SNAP) benefits in the Gus Schumacher Nutrition Incentive Program (GusNIP). This provides resources on top of monthly SNAP benefits for the purchase of fresh fruits and vegetables, primarily at farmers' markets, for a limited number of households.
- Eliminate barriers to SNAP for marginalized populations, including ending the ban on former drug offenders, eliminating work requirements for college students, and permitting indigenous communities to administer SNAP and other federal nutrition programs on reservations.
- Keep food out of landfills by increasing support for post-harvest food recovery efforts and addressing the threat to food security posed by extreme weather.
- Support funding for international food aid programs such as Food for Peace.
